### Library Usage and Programs

The limited library reopening since January 31 has been a success with approximately 9,000 visitors, over 1,600 reference questions answered, and over 8,300 materials borrowed. We resumed weekly storytime for children on Wednesday afternoons and will add a second storytime on Tuesday mornings at the end of the month. Our teen book club met for the first time this month in a hybrid format. We also have chess club scheduled for Wednesday evenings but had to postpone our first program due to a staff Covid case. We're resuming popular tech skills programs, including a phone and tablet how-to session that provides a general overview of devices and tricks for using common features. Aside from library-hosted activities, the Library Foundation will begin hosting in-person activities in the library, including Teddy Bear Tea on the patio, on May 21.

We have resumed selling used books for \$1-\$2. The books are available on a cart near the circulation desk. Due to storage capacity, we are accepting book donations but are limited to one bag per person per week. We also have a reference list of local organizations that can accept larger quantities of donated books.

We extended our business hours on April 4 to include Monday to Thursday, 10 am to 6 pm, and Friday to Saturday from 10 am to 5 pm. Since reopening, our library usage data demonstrates that Mondays have our fewest visitors, followed by Saturdays. Staff also pulled data from 2019 to look at library usage throughout the week. The data from two different points in 2019 revealed that Sundays also had the fewest library users, with just under half the number of visitors typically received on any day. Given our limited staffing, we're currently unable to accommodate Sunday business hours. We plan to resume Sunday business hours once we begin adding personnel in the coming FY. We'll continue to assess business hours and expand them to include earlier daytime and later evening weekday hours as possible.

### **Outreach and Community Connections**

Staff regularly participate in monthly MARINet workgroup meetings and Bay Area-specific workgroups with staff from other libraries. The various workgroups collaborate to develop local solutions or share information on new or emerging services. Our children's librarian participated in the Read Across Reed event as a guest reader the past week; other local guests included firefighters, police offers, and school board members.

### State Library and other Regional Updates

In partnership with the First Partner's Office and State Parks, the State Library offers a California State Library Parks Pass, a free vehicle day-use entry to over 200 state parks. Library cardholders can check out a Parks Pass just as they would other library materials to free visit parks, lakes, beaches, and monuments in the State Parks system. Our library has been allotted three passes. Staff are working with MARINet libraries to develop a coordinated approach to circulation, including the loan period and how to catalog the pass. We anticipate the passes will be available for borrowing by the end of the month. We'll market the passes with content developed by the State Library through our website, newsletter, and social media. Anyone is welcome to utilize the interactive map of participating parks at <u>www.parks.ca.gov</u>.

1. SPECIAL TRUSTEE CONSIDERATION

MOTION TO APPROVE RESOLUTION NO. 275-2022 PROCLAIMING A LOCAL EMERGENCY, RATIFYING THE PROCLAMATION OF A STATE OF EMERGENCY BY EXECUTIVE ORDER N-08-21, DATED JUNE 11, 2021, AND AUTHORIZING REMOTE TELECONFERENCE MEETINGS OF THE LEGISLATIVE BODIES OF THE BELVEDERE-TIBURON LIBRARY AGENCY FOR THE PERIOD MARCH 13, 2022 – APRIL 13, 2022 PURSUANT TO BROWN ACT PROVISIONS made by Trustee Cromwell, seconded by Trustee Richards.

Ayes: Jeff Slavitz, Ken Weil, Niran Amir, Thomas Cromwell, Lawrence Drew, Maureen Johnson, Roxanne Richards.

Absent: None Noes: None Motion Passed.

#### 2. Chair's Report

Chair Slavitz reported that the Agency and the Foundation are still working on setting a date for a Joint Agency-Foundation meeting.

#### 3. Library Director's Report

Director Duran reported that the new Library space has been open to the public for eight weeks. The staff continue to modify the space for increasing services. There are now two computer stations, two self-checkout stations, a study room which can be reserved for up to two hours and will accommodate up to four people, a print and copy station, and added seating both indoors and outdoors. The staff have hosted 5,500 visitors, facilitated 5,400 checkouts, and answered over 1,000 reference questions.

Director Duran and the Library Staff are working with the staffing schedule to expand business hours for both weekday evenings and weekend days.

The Library hosted the first in-person Baby Storytime in two years on March 16, with 20 babies and parents attending. This Storytime will now continue weekly. A morning Storytime will be added in April. The Teen Book Club will also resume on a Saturday afternoon in April, possibly with a hybrid online/in-person format. During the pandemic, it was noted that more teens engaged when virtual formats became available. Chess Club will also resume in April, meeting weekly on Wednesdays.

Director Duran and Staff Librarians have been developing community connections and local participation in the schools to nurture Library growth which complements community needs and activities. Trustee Richards suggested that the Staff not only participate in local public, but also private school activities.

Application for a State Library Grant which would potentially help fund solar panels and a backup power source for the Library has been delayed until next year, based on research and communication with key State Library staff. This will allow Library Staff and Agency time to assess local needs, craft a compelling application, and evaluate match options.

### 4. Expansion Update

Project Manager Glenn Isaacson reported that work is proceeding on the physical interior of the original building, including door frames, glazing, restrooms, and electrical work.

The Project Team is still working on a conclusive costing schedule for the interior work. This Wednesday, the Team will meet with the contractor.

The donor granite frame is in place at the main Library entrance. Trustee Richards noted that the donor names have been listed on the Foundation Website, available for donor corrections.

#### 5. Foundation Report

Foundation President Suzannah Scully reported that the Foundation raised \$14,390 in February.

The Teddy Bear Tea has been tentatively scheduled for May 21<sup>st</sup>, outdoors on the patio, with a Storytime held indoors.

The Library Grand Opening Committee kickoff meeting will be held at the Tiburon Town Hall tonight. The planned schedule includes a donor event on Thursday, September 15, an Art Exhibit donor event on Friday, September 16, and a community event with ribbon cutting, food, and various activities on Saturday, September 17. Marketing for the event is in the works.

Last week's monthly newsletter received a great response, with a number of library tours requested, and 50% viewing rate by recipients online. The response indicates that donors and patrons want to hear about and participate in Library activities.

### 6. Financials

Clerk Johnson reported that, with 67% of the year passed, 55% of budgeted revenues have been received, which is on par for this time of year. Expenses are at 72% of budget, compared to a normal 65-67%, due to benefit payouts related to staff retirements, recruiting expenses, and to the rental of outdoor toilets to allow for the opening of the Library to the public.

#### 7. Treasurer's Report on Expansion Line of Credit

Treasurer Slavitz reported that the borrowing estimate to complete the Expansion Project remains at \$2,500,000 at this time.

#### 8. Committee Reports

There were no committee reports.

#### CONSENT CALENDAR

9/10. Motion to approve the Minutes of February 22, 2022, and the Warrants dated February, 2022, made by Trustee Weil, seconded by Trustee Amir.

To: Jeff Slavitz, President, Library Agency Members and Crystal Duran, Library Director.

From: Glenn Isaacson, Project Manager, Expansion Project

Subject: Expansion Project Schedule and Budget

<u>Purpose:</u> The purpose of this memorandum is to advise of project status, projected completion date, foreseeable budget impacts through August 15, 2022, and recommended actions.

As noted in the monthly Activity Reports the Project Team has been in discussions/negotiations with the Contractor these last several months regarding price and schedule for all the remaining interior and exterior work. These discussions are concluded with the following results.

Schedule: Current Situation and Forecast:

Phase 1- The Expansion Building: Phase 2- The remodel of existing space: Site work: Opened to public January, 2022 August, 2022 July, 2022

Until recently the Project Team has projected a Spring 2022 completion for planning purposes. This date is now extended to August 15, 2022. Causes for delays are myriad and include those caused by the Contractor, the Owner, the Design Team, code requirements, inspections, plan reviews, Covid restrictions and consequences and unforeseen conditions such as the current drought and supply/inflation issues.

Budget:The approved Project Cost Budget is \$17,685,000.Alten Construction:The approved Alten Construction contract is \$13,397,000.Change Order Requests:Time Extension charges from December 31, 2021 to August 15, 2022.(Based upon reducing daily job-site costs from \$1,500 to \$1,400 per day from<br/>January 1,2022 to August 15,2022.)Other Open sub-contractor change order requests.\$356,717.Extended insurance coverage to Aug 13, 2022

Total Contractor related increase.

Contingency:

After re-allocating budget from line items that are in surplus to The Contingency line

item the current Contingency available is \$389,000.

Recommended Agency Actions: Increase Project Budget by \$625,000 to \$18,310,000. Increase Alten contract by \$754,095. Remaining Contingency will be at \$260,708 to cover yet unknown and unforeseen

costs.

Extend Alten contract to August15, 2022 and set it as Final Project completion date.

# Commentary:

There is no joy in recommending an increase in Project Budget or extension of completion dates. Please note that at this stage it is unknown whether all the line- item budget items will be fully expended including the Contingency. Please also note that an increase of \$625,000 represents an increase of 3.5 percent in the Project Cost, which together with the budget increase of July 2021 equals a 6.8 percent total project increase, which should be sufficient to complete the Expansion Project exclusive of addscope items such as solar and emergency power and significant unforeseen conditions.

WHEREAS, the Board of Trustees has considered all information related to this matter, as presented at the public meetings of the Board of Trustees identified herein, including any supporting reports prepared by Agency staff, and any information provided during public meetings.

NOW, THEREFORE, the Board of Trustees of the Belvedere Tiburon Library Agency does hereby resolve as follows:

Certified Final Environmental Impact Report for the Belvedere-Tiburon Public Library Expansion Project," adopted in July of 2018.

I HEREBY CERTIFY that the foregoing resolution was duly and regularly adopted by the Governing Board of the Belvedere Tiburon Library Agency, Marin County, California, at a Regular Meeting thereof, held on the 18th of April, 2022.
